Evan Muffly
Captive Practice Leader
HUB Captive Services

Captive Experience

- Single-Parent Captives
- Group Captives
- Risk Retention Groups
- AM Best Rated Insurance Companies
- Commercial Property & Casualty Insurance

Evan is Executive Vice President and the Practice Leader for HUB International's Captive Practice. He is responsible for providing strategic direction, growth, and execution of the Practice across the entire HUB organization globally.

Located in Pittsburgh, Evan has worked in multiple facets of the captive insurance industry including business development, domicile regulation development, feasibility studies, captive formation, administration and ongoing management. During his time, he has been involved in structuring and managing over 150 captives with responsibilities including:

- Underwriting and Coverage Design
- Feasibility Study Analysis
- Captive Formation and Implementation in Domicile
- Corporate Governance
- Financial and Regulatory Reporting
- Claims Management
- Regulatory Compliance and Relationships
- Vendor Selection and Relationships

Evan has experience as a captive manager in all major U.S. and offshore domiciles. Prior to joining HUB International, Evan began his career at Marsh, where he was a casualty broker for some of the largest global Fortune 500 companies, responsible for placement of over $100M in annual premium in the U.S., Bermuda and London marketplaces. Evan also managed the largest reciprocal RRG in PA for non-profit community hospitals in the state.

Evan holds a Bachelor of Science in Business from Wake Forest University in Winston-Salem, NC. He also maintains a Property/ Casualty Producer's License. Evan is a member of the American Bar Association, and resides in Pittsburgh with his wife, and two daughters.
